### *Report of the 2003-2004 Year from the Past President*

*Tom Reichel '04*

Greetings from 79 Prospect Avenue. 2003-2004 was another great year for The Princeton Charter Club. With 170 enthusiastic members, Charter continued its tradition of good times and great food. Many memories were had, including an amazing backyard lawn party with a performance by Pat McGee's Band, multiple appearances at the clubhouse by The Low Life, Friday Night Poker games, and a truly unforgettable Spring Formal.

The continued generosity of Charter alums, both through gifts to the capital campaign and annual donations, has helped sustain and improve the Club. The Princeton Charter Foundation continued as an active organization, allowing member contributions to be tax deductible. The long-term strategic planning committee, which is comprised

of undergraduate officers, the Club Manager, and the Board of Governors, continued to prioritize the club's future capital improvements. As a consequence of long-term strategic planning, the Club recently completed a series of building improvements including the extensive installation of fire doors throughout the clubhouse and insulation throughout the upper level. Also, through the remarkable generosity of H. Bernard Wehrle, III '73 and Gary V. Sagui '73, Charter's vintage billiards tables were restored to their original condition. As a result of your efforts, the Club looks better than ever.

Anyone who was present for either this fall's Harvard Football weekend or Reunions last spring knows that Club Manager Steve Moskow and Executive Chef Tom Evgeniadis still host the best party in Princeton. We encourage you to stop by the Club at any time just to see the many improvements. Hope to see you soon. ❖

### *Chairman's Report*

*Carol C. Cronheim '86*

Another exciting year is under way here at the Princeton Charter Club. Many alums came back to the clubhouse for a most enjoyable reception after Princeton fell to Harvard on the gridiron. I hope you all will mark your calendars to join us after the P-Rade at Reunions on Saturday, May 28, 2005.

I want to reiterate how grateful the Club is to two stalwart alums from the Class of '73, H. Bernard Wehrle, III and Gary

V. Sagui, for their generosity and vision in restoring our beautiful antique pool tables. If you come by the Club, take the opportunity to shoot a game of stick in their honor. (*See photos on page 2*)

I'd also like to thank Peter Brinckerhoff '64 for his recent gift of \$10,000, bringing his total generosity to Charter up to \$20,000. His largesse will help maintain Charter's outstanding

quality and help guarantee an excellent experience for our members. I was particularly delighted when Peter told me he stopped by lots of clubs during his 40<sup>th</sup> reunion last year, and Charter was by far the best maintained and most beautiful.

As you can see, our Capital Campaign and creation of The Princeton Charter Foundation (gifts to which are tax-

deductible) continue to reap benefits for Charter, thanks to the devotion and loyalty of our alums. In fact, we have recently received a gift of nearly \$50,000 from an alumni donor who wishes to remain anonymous. We encourage you to stop by the Club at any time to see the improvements that such tremendous generosity has wrought. ❖

### ***How Your Annual Support of Charter Makes a Difference***

**A**lumni members' generosity to the Annual Appeal provides critical funding that enables the Board and staff to uphold Charter Club's long-standing tradition of excellence. Donations to the Annual Appeal help to underwrite the maintenance of Charter's beautiful clubhouse and to fund the amenities that make membership in Charter an enjoyable aspect of the Princeton undergraduate and alumni experience.

Most other eating clubs at Princeton assess their members for dues. Charter, however, has followed the course of requesting goodwill donations, which we believe offer alumni the opportunity to express their bond to Charter in a more meaningful way.

When you were a student member of Charter, donations from the alumni who preceded you at 79 Prospect Avenue helped to make your time at Charter pleasant and memorable. We hope that you will follow their example and will express your steadfast devotion to Charter by making a tax-deductible Annual Appeal contribution to The Princeton Charter Foundation. For your convenience a gift return card and envelope are enclosed.

## *A New Procedure Helps us Recognize You*

On October 23, Charter alums gathered at the Club to enjoy the post-Harvard Game reception. Needless to say, the camaraderie was a lot better than the football that day. Harvard defeated Princeton 39–14, although running back Jon Veach became the 15th Tiger to rush for 1,500 career yards!

It occurred to us before the party, however, that whenever we host these events, we have no idea afterwards how many Charter alums enjoyed the festivities at the reception, let alone who was there. We decided this year we would try something new to help us keep better track, so we set up a check-in table. This new procedure served several purposes. It ensured that we were truly hosting PCC members and their guests. It gave us the opportunity to chat with old friends and meet members from other class years, and it allowed us to recognize our loyal contributors with special stickers.

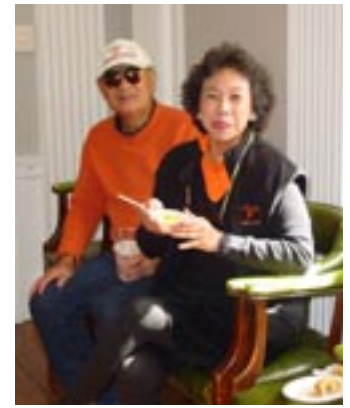

*Spicy Cajun Seafood Gumbo was a big hit at the reception, especially on a cold day!*

We received very positive feedback on the check-in procedures and about the event itself from those present. Approximately 56 Charter members attended the event. With their guests included, we hosted over 200 partygoers. With our new procedure in place, we are able to tell you that the

## Club Notes

---

“After a year of no flying following shoulder surgery, two weeks ago I took all the bi-annual tests and am now flying again. Great fun!”

—*James H. Herbert '40*

“Best wishes. Keep the building up to date. I am still in New Hampshire and see very few Princeton alumni. Still rowing and skeet shooting.”

—*Thomas W. Bakewell '43*

“Congratulations on the excellent strides Charter has made in recent years. Hats off to Bob Klein for his outstanding service to the Club.”

—*Joseph L. Bolster, Jr. '52*

“I thoroughly enjoyed by 50th Reunion and my visit to Charter. I am pleased that my best man, Duke Jacobs '54, has been honored by our Club with a room dedicated in his memory. He was coxswain of our varsity heavyweight crew and a dedicated Princetonian and Club member.”

—*Ted Kase '54*

“My family, including son Scott '96 (Charter Club member), was at Princeton last weekend for P-rade and Graduation festivities for son Tim '04 (also Charter Club) and we enjoyed all the many Charter activities, even the clambake in the rain.”

—*Gordon C. Mackenzie, Jr. '57*

“After 15 years abroad, we're on our way back to DC—which some seem to consider a foreign country as well.”

—*David B. Atkinson '63*

“Happy 100th Birthday from a former V.P., Undergraduate Governor and senior year resident at the Club. My old Charter tie is one of only three I have not thrown out!”

—*James C. Beverley '66*

“After 24 years as a corporate tax lawyer in Manhattan, I have moved to Boca Raton, Florida and work in the commercial real estate field. Look me up if you're down my way!”

—*Andrew M. Schreier '75*

“Counting down to our 30th in 2006 and looking forward to seeing the stunningly beautiful Charter Club. I'm certain our contributions are helping to maintain its architectural integrity.”

—*Martha Esersky Lorden '76*

“Thanks for the great post-P-rade bash!”

—*Christine C. Pepe '84*

“Greetings from New Mexico. My wife, Susan, and I work for the Office of the State Engineer, the state agency responsible for administering water resources in Santa Fe. I recently finished a groundwater flow model for Taos, and Susan is an expert witness in hydrology in water rights matters.”

—*Peter W. Burck '85*

“I'm living in Florida and looking forward to returning to Charter during my 10th Reunion in 2005.”

—*Christopher J. Hand '95*

“Still in San Antonio! Still in the Air Force! Still paying off school loans!”

—*Thomas M. Peralta, III '96*

“Living back in Virginia again after being in France for a year. Looking forward to visiting Charter again at Reunions.”

—*Andrew P. Clark '01*

“Graduated from the George Washington University School of Law in May 2004. Will be working on 'The Hill' for Linda Sanchez.”
