WELCOME TO 1961'S 55TH REUNION

Welcome back to all members of the great Class of 1961, and to their families and friends. We are glad you chose to join us for our 55th Reunion! We hope you will catch up with friends from the past as well as make new friends--maybe that guy who lived across the hall from you in senior year is back and you can catch up on five decades of life!

There are scores of activities, lectures, and so forth planned not only by our Class, but by the Alumni Council. A complete booklet of the campus-wide activities is available at the Registration Tent, plus this brochure which covers the Class of 1961 activities for you. We Tigers are Burning Bright in our 7th decade and are glad you and your family and friends came.
