WELCOME TO 1962'S 50TH REUNION

Welcome back, members of Princeton's Class of 1962 and your families and friends, to the best old place of all to celebrate a very special time, the passage of 50 years . Many classmates have spent tons of time to make this Reunion a great success. Sam Reiken coordinated the clothing. Al Kaemmerlen and Al Mueller had the horrible job of making room arrangements. Barry Bosak and Howard Pyle kept the web site going. Sandy Ackley and Bill Swain tasted the wines and booze. Robert Burkhardt coordinated the Memorial Service. Joe Irenas and Mike Mathews were our class representatives with the University's planning of all forums and panels. Archie Hovanesian put together the Viet Nam forum. Steve Jaffe is our reunion treasurer. Bruce Dunning had the awesome task of putting our Reunion Year Book together. Al Barr has been responsible for all the past 4 off year reunion festivities. Phil Carlin and Joe Caltrone headed up the all important Annual Giving Drive. Honorary class mate Paul Raeder provided help in fund raising. Honorary classmate Rand Mirante initiated and coordinated the Princeton Battle Field excursion. Finally, honorary classmate Mara Mibs was the "go to" person on every conceivable problem. Dave O'Brien, better known as Obie, ruled with a velvet hand and provide the necessary leadership.
